EDUCATION

PDA College of Engineering, Kalaburagi <i>B.E. in Electronics and Communication Engineering</i>	2022 – 2026 CGPA: 8.33
Shree Guru Independent PU College of Science, Kalaburagi <i>PUC (Science)</i>	2020 – 2022 93%
N.V English Medium School, Kalaburagi <i>SSLC</i>	2019 – 2020 90.24%

SKILLS

Languages:	Java, Python, OOPS, DSA
Web/API:	HTML, FastAPI, Java Full Stack (Servlets, JSP), Pydantic, Jinja2
Database:	MySQL, Database Management
Tools/AI:	NLP, LangChain, spaCy, Ollama, Uvicorn, Git
Core:	Operating Systems (OS), Data Analytics, Network Security

EXPERIENCE

Software Development Intern Tap Academy	6 Months
- Developed backend APIs using FastAPI for efficient data processing and request validation with Pydantic. - Implemented NLP-based features using spaCy for advanced text analysis and automated information extraction. - Integrated AI models via Ollama to generate intelligent, context-aware responses and questions. - Improved backend performance and system efficiency through rigorous development and testing cycles.	

PROJECTS

AI in Criminal Investigations: Integrating NLP to Enhance Justice <i>Python, NLP, Ollama, LangChain, FastAPI, spaCy</i>
- Developed an AI-based support system to identify suspects from case narratives using Ollama and LangChain. - Automated matching of relevant IPC sections from case descriptions using spaCy. - Analyzed responses to detect inconsistencies and estimate truthfulness using Python-based text analysis.

Online Voting System

Java Full Stack Development (Java, Servlets, JSP, MySQL, HTML/CSS)

- Engineered a secure web platform for digital voting featuring user authentication and real-time vote counting.
- Implemented a robust backend with **Java Servlets** and **JSP**, ensuring reliable session management.
- Designed a **MySQL** database schema to maintain voter integrity and prevent duplicate submissions.

ACHIEVEMENTS & CERTIFICATIONS

- IEEE & WIE Member:** Certified professional membership and active participation.
- Information Technology Specialist:** Certified in Network Security.
- CISCO Certifications:** Data Science, Data Analytics, Python Essentials, Cyber Security, JavaScript.
- Satellite Tracking Workshop:** Certified for VHF Tracking Antenna workshop by **UR Rao Satellite Centre (UPGRAH)**.
- Wearable Technology:** Completed workshop organized by **IEEE**.
